

Kiilto Base Total

Power floor polish remover

Power polish remover. Kiilto Base Total is developed for removing layered and stubborn polish layers.

| | | |
|--------------------------------------|---|--|
| Application | For polish removal from alkali-resistant floorings. Especially for removing layered polish that is difficult to remove. Not for linoleum. | |
| Product properties | Kiilto Base Total is a very effective, low foaming polish removal agent with a mild odour. The product requires careful rinsing. | |
| Instructions for use | Polish removal 0.2–1 dl/1 l water. Make a solution in cold water and spread onto the floor. Let it work for 5 minutes. Wash the surface with a single disc machine or scrub with a scouring pad and vacuum the solution. Rinse the surface carefully and let the surface dry well before polishing with Kiilto Silk wax. | |
| Composition | Ingredient | Effect |
| | Non-ionic and amphoteric surfactants <5 % | Lowers the surface tension and removes dirt. |
| | Soap <5 % | Anti-foaming agent. |
| Product pH | 14.0 strongly alkaline | |
| Solution pH | 12.5 strongly alkaline | |
| Storage | Warm storage. | |
| Appearance and scent | Yellowish, unscented liquid. | |
| Country of manufacture | FINLAND | |
| User and environmental safety | Protective gloves and protective goggles must be used. In case of eye contact, rinse with copious water, and then contact a doctor. Material safety data sheet and instructions for the disposal of empty product package: www.kiiltoclean.fi | |
