

ARENAS-bleach

Liquid bleach concentrate

- ▲ Chlorine-based liquid bleach
- ▲ For radiant white laundry
- ▲ Removes yellowing, colour stains and mould spots

Area of application

For discolouring and bleaching white laundry (cotton) and bleachable fabrics in the washing machine.

Application

Please test on a small inconspicuous spot before first application. Observe laundry symbol for bleachable textiles. Consult the manufacturer's instruction manual.

Washing textiles:

Dosage via dosing pumps

Add the product to the final rinse cycle of the wash. Contact time: 7–10 minutes. The washing process and dosage settings are only to be programmed by Kiehl Service staff.

The amount required depends on the size of the washing machine, the water hardness and the chosen liquor ratio.

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Chlorine-based bleaching agents 5–15%.
pH value (concentrate): approx. 13
